CAMPO HOSTING PUBLIC OPEN HOUSES TO GATHER INPUT ON PLAN AND PROGRAM UPDATES

AUSTIN, TEXAS, November 20, 2018 – The Capital Area Metropolitan Planning Organization (CAMPO) will host nine public open house meetings to provide background information and collect input from the public on the [Public Participation Plan](#), amendments to the [Regional Transportation Plan \(RTP\)](#) and [Transportation Improvement Program \(TIP\)](#), the [Regional Arterials Plan and MoKan Subregional Plan](#), and the [Luling Transportation Study](#).

Public input and comments are a key part of the planning process. Community members are encouraged to attend the meeting that is most convenient for them or **participate** and submit comments through online open houses. “As CAMPO prepares the 2045 Transportation Plan, public input is vital in our decision-making process,” said CAMPO Transportation Policy Board Chair Will Conley. “We encourage the public to attend in person or learn more and submit comments online so the Board is making decisions about our current and future transportation needs based on community input.”

All meetings are a come and go open house format from 4-7 pm unless noted. Children’s activities will be available. Information on the Mokan Subregional Study will be available at the Pflugerville and Georgetown open houses. Information on the Luling Transportation Plan will be available at the Luling open house.
